LYON COUNTY AUDITORS OFFICE ROCK RAPIDS, IOWA May 8, 2017

Chairman Randy Bosch convened the adjourned session with Peters, Bosch, Koedam, and Michael present. Motion carried assumes unanimous vote unless otherwise stated. Supervisor Behrens was absent.

The minutes of the April 24, 2017 meeting were reviewed with spelling error to be corrected. Motion made by Peters to approve minutes, seconded by Michael. Motion carried.

Chairman Bosch introduced Resolution 2017-15 authorizing 100% department appropriations for 16/17.

## Resolution 2017-15 Increase Department Appropriations FY 16/2017

Whereas, Iowa Code Section 331.434 provides for department appropriations.

With the end of the fiscal year coming to a close, some departments currently at a 90% appropriation, will need a 100% appropriation for fiscal year 16/2017.

**THEREFORE BE IT RESOLVED** by the Lyon County Board of Supervisors to approve a 100% appropriation for all departments

The remaining appropriation amount will be \$1,596,587; for a total of \$20,039,722 for fiscal year 16/2017.

Passed and approved this 8th day of May, 2017.

Motion by Michael, second by Koedam to approve and sign Resolution 2017-15. Motion carried.

County Engineer Laura Sievers introduced Cole Knudson as the new Engineering Technician. Knudson will be starting today. Knudson graduated from Southeast Technical Institute with Land Surveying and Civil Engineering Technology degrees on May 5. Knudson's starting wage will be \$23.08/hour.

Osceola Rural Water System submitted utility accommodation applications for 50' ft. east of  $110^{\rm th}$  Street and Kiwi Avenue, and one on Log Avenue and  $130^{\rm th}$  Street. Motion by Peters, second by Michael to approve and sign applications. Motion carried.

On A34 a paving control point has been removed by a land owner. These points are for the upcoming paving project from the East side of George City limits to the Osceola county line. One of two have been removed from the property. A letter was sent to all property owners along the paving route explaining the paving project. Sievers asked for any other advice on how to notify land owners of the importance of not removing the points. The points are set every 500 ft. along the 6 mile project. The property where the point was

removed also has concerns of now having drainage issues due to dirt being moved by the property owner from a previous bridge project. The Board agreed that Engineer Sievers should make the property owner aware that the county knows dirt has been moved and are concerned with the possibility of flooding and drainage issues.

Chairman Bosch introduced Resolution 2017-16 to create a capital projects roadway fund in relation to the upcoming bonds the county will be selling for road and bridge work.

## Resolution 2017-16 Create a New Fund named Capital Project Roadway Fund

Whereas, Iowa Code Section 331.431 states that a county may establish other funds in accordance with generally accepted accounting principles. The condition and operations of each fund shall be included in the annual financial report as required in Section 331.403.

Lyon County is in the process of selling General Obligations Bonds in the amount of \$4,500,000 to finance road projects in the county. The sale of the bonds is scheduled for May 15, 2017.

Construction will begin mid-May 2017 and the contractor will need to be paid timely. There is a need to set up a new fund for expenditures and the revenue from the sale of the General Obligation Bonds. The fund shall be named "Capital Project Roadway Fund". Interest earned in this fund will remain in this fund.

THEREFORE BE IT RESOLVED by the Lyon County Board of Supervisors to authorize the following:

• Create Fund 17000, "Capital Project Roadway Fund", it will be a Budgetary Capital Project Fund.

## Passed and approved this 8th day of May, 2017.

Motion by Peters, second by Michael to approve and sign Resolution 2017-16. Motion carried.

As the Lyon County Riverboat Foundation is accepting mini grant applications, those entities wishing to apply are required to have Board support through resolution. County entities wishing to apply are: Lyon County Ambulance \$1,925 Stair chair; Lyon County Auditor's Office \$1,800 Rolling totes for elections; Lyon County Secondary Roads \$2,000 AED and accessories; Lyon County Economic Development \$2,000 website upgrade and redesign; and Lyon County Sheriff's Department \$2,000 Speed trailer. The Board asked a member of the public at the meeting to draw slips to decide who would get to submit an application for this grant cycle as the Riverboat Foundation only allows 3 applications from an entity. Resolution 2017-17 was introduced as support to the applications. Entities drawn were: Lyon County Ambulance Service, Lyon County Economic Development, and Lyon County Auditor's Office.

## COUNTY OF LYON, IOWA RESOLUTION 2017-17

A RESOLUTION OF THE BOARD OF SUPERVISORS OF LYON COUNTY, IOWA APPROVING THE APPLICATION(S) FOR THE PURPOSE OF RECEIVING BENEFITS FROM THE LYON COUNTY RIVERBOAT FOUNDATION.

Due to concerns by the engineer and architect involved with the courthouse improvement project, the dates set by motion at the 4-24-2017 meeting are no longer valid as the design phase will need to be complete before the public hearing is held. Auditor Smit will be receiving formal documentation from Attorney Danos to set the public hearing date for the project. On Friday (5-5-17) doorway size holes were cut into the West wall of the  $4^{\rm th}$  floor jury room and in the wall of the attic. The holes were needed in order for the engineer and architect to be able to see the open space between the walls in

order to be clear in the bid specifications. A public hearing date will be set on May 22, 2017.
